

CREATE YOUR OWN SOCCER TEAM AND T-SHIRT!

Using the blank t-shirt template below, design a jersey for a soccer team. Here are some things to think about as you plan your design:

- **Colors:** What are your team colors? Choose colors that represent your favorite Arab country. To review Arab countries and their flags, go to Step 2 in this Module.
- **Team Name:** What is your team's name? With the Arabic that you know, come up with a name for your soccer team, and write it in Arabic letters on the front of the jersey.
- **Player Name:** What is the name of your soccer player? On the back of your jersey, write the name of your player in Arabic letters. It could be your own name, the name of a famous athlete, or something from your imagination.

• **Player Number:** What is your player's number? On the back of your jersey below the player's name, write his/her number using Arabic numbers.

• **Mascot:** Who or what is the mascot for your team? On a separate piece of paper, draw your team's mascot. Think of a mascot that would be meaningful for the country you have chosen. For example, if your team colors are from Egypt, your mascot could be a pyramid with arms and legs. If your team colors are from Lebanon, your mascot could be a walking cedar tree, the national emblem of Lebanon. Be creative!

Get out and play!

If time and facilities permit, play a game of soccer, using your new vocabulary to cheer each other on and communicate while playing.
